

Prosperity Ready

Degreed Immigrant Job Seeker Program

Free 11-week virtual program to prepare immigrants with degrees to land the jobs they are qualified for and deserve.

“ Prosperity Ready teaches degreed immigrants how to beat the system while partnering with employers to fix the system. ”

Program Highlights

- ❖ Free 11-week program, participant group of up to 20 degreed immigrants.
- ❖ Learn how to overcome barriers to compete in today's job market.
- ❖ Develop the skills and confidence you need for lifelong career success.

January 17th through March 28th, 2023

- ❖ Weekly time commitment of 2 - 4 hours.
- ❖ Online group sessions, Tuesdays from 6pm - 8pm.
- ❖ Weekly pre-work and post-work.

PROGRAM OVERVIEW

Kick-off	Welcome to the Program: Participants learn more about the objectives for the program and together, establish specific group norms for the program.
Wellness	Well Being Practices: Learn how to engage in self care that helps you succeed in your career.
Resumes	Participants learn how to present their value by highlighting their personal brand and quantifying their success.
LinkedIn	Participants learn the best practices for creating a LinkedIn profile that will get them noticed and connected with potential employers.
Impression Management	Participants learn the importance of first impressions and how to create and maintain a professional appearance by planning their visibility strategies.
Networking	Participants learn the key components of networking and learn a nationally recognized method for how to host a successful 20-minute networking meeting.
Corporate Culture Part One	Participants learn how to navigate a new corporate culture through discussions about the expectations for career advancement, the importance of building trust, and how to respond to microaggressions.
Corporate Culture Part Two	Participants learn how recruiting happens in corporations and learn the key steps to successfully managing their professional careers. Q&A with a panel of local immigrant professionals at the end.
Interviewing & Negotiating Offers	Participants learn the best practices for interviewing with potential employers and tips for how to make themselves stand out. Q&A with a panel at the end.
Employer Presentations	Participants will hear from local employers and will have the opportunity to share their resumes.
Program Wrap Up	Final reflection and discussion of next steps.
